LIST OF NCAM PROPOSED MEMBERS AS OF NOVEMBER 7, 2001

Organization Type / Role	Member (Specialty Discipline)
State Aviation Transportation Authorities	Florida Department of Transportation (Aviation) Maryland Aviation Administration Virginia Department of Aviation
Local Airport Aviation Authorities	Virginia Tech Regional Airport, Blacksburg, VA Danville Regional Airport, Danville, VA Daytona Beach Airport, Daytona Beach, FL Gainesville Airport, Gainesville, FL Hernando County Airport, Hernando County, FL Lakeland Airport, Lakeland, FL Southwest Florida International Airport, Fort Myers, FL Manassas Regional Airport, Manassas, VA Melbourne Airport, Melbourne, FL Newport News-Williamsburg International Airport, Newport News, VA Sebring Airport, Sebring, FL Tamiami Airport, Miami, FL Tallahassee Commercial Airport, Tallahassee, FL Tallahassee Regional Airport, Leon County, FL Ohio University Airport, Athens, OH Naval Air Warfare Center (Webster Field), Patuxent River, MD Tipton Airport, Fort Meade, MD Ocean City Airport, Ocean City, MD
Airport Operators	Dulles Aviation, Manassas Regional Airport, VA Flight Line, Gainesville, FL Flight Line, Tallahassee, FL
Airframe Manufacturers	Aurora Flight Sciences (Research Aircraft) BAE Systems (Military Aircraft and electronics systems) Cessna Aircraft Company (Personal and Business Aircraft) Cirrus Aircraft (Personal and Business Aircraft) Eclipse Aviation (Personal and Business Aircraft) Global Aircraft (Personal Aircraft) Lancair (Personal and Business Aircraft) Micco Aircraft (Personal Aircraft) Maverick Air (Personal and Business Aircraft) New Piper Aircraft (Personal and Business Aircraft) Proton Aerospace (Personal Aircraft) Raytheon Aircraft Company (Personal and Business Aircraft) Safire (Personal and Business Aircraft)

Organization Type / Role	Member (Specialty Discipline)
Suppliers of CNS Hardware and Software and Services	ADSI (Navigation) Aeronautical Radio, Inc. (ARINC) (Communications, Data Link) Advanced Navigation and Positioning Corporation (Navigation) Applied Systems Intelligence, Inc. (Automation) ARNAV, Inc. (Comm/Nav/Surveillance) Athena Technologies, Inc. (Comm/Nav/Surveillance) Avidyne Corporation (Comm/Nav/Surveillance, Avionics) AVROTEC, Inc. (Avionics/Navigation) Goodrich Aerospace (Avionics/Flight Systems) CACI, International (Surveillance Data Fusion) Crossbow (Attitude Heading Reference System) Decision Studies (Marketing and Consulting) Dynamic Systems Integration, Inc. (Networks/Communications) Garmin International (Comm/Nav/Surveillance) Harris (Comm/Nav/Surveillance) Hamilton Sunstrand (Aerospace systems) Hartzell Propeller Company (Propellers) Honeywell (Avionics) Innovative Dynamics, Inc. (Electromechanical systems) Neogenesis (Surveillance Software) Ohio University (Comm/Nav/Surveillance) Rannoch Corporation (Nav/Surveillance) Rockwell Collins (Avionics) Seagull Technologies (Attitude Heading Systems) SENSIS, Inc. (Surveillance) Trios Associates, Inc. (Comm/Surveillance) UPS Technologies (Avionics/Navigation/Surveillance)
Transportation Services Suppliers	A&P Technologies (Composite material supplier) Airpark Sales and Service (Airfield Services Provider) Cessna Aircraft Company (Fractional Ownership) Colgan Air (Air Carrier) Cox and Company (Aircraft temperature control systems) Echelon Corporation (Control Networks) Embry-Riddle Aeronautical University (Corporate User) Executive Jet, Inc. (Fractional Ownership; Net – Jets) FiberCote Industries (Composite material supplier) McCauley Accessory Co. (Propellers) Raytheon Aircraft Company (Fractional Ownership) Raytheon Electronics Systems (Sensing and Control Systems) Seagull Technology (Web-based information systems) Simula Technologies, Inc. (Aviation Safety equipment) Skyshare (Fractional Ownership) Teledyne Continental Motors (Aircraft Engines) Toray Composites, Inc. (Composite Material supplier) Unison Industries (Engine Ignition Systems) VB Aviation (Air Taxi) Williams International (Gas turbine engines)

Organization Type / Role	Member (Specialty Discipline)
Transportation Research and Simulation	Air Traffic Consulting Service (Business model) Bihrle Applied Research (Wind Tunnel Testing) Goodrich Aerospace (Cockpit Automation) ECS (Visual Data) Embry-Riddle Aeronautical University (Analysis, Human Factors, Simulation) Enterprise Florida (Economic) Florida Aviation and Aerospace Alliance (Advisor) Florida Aviation Trades Association (Advisor) Florida Space Grant Consortium (Analysis) George Mason University (Transportation Research, Simulation and Modeling, Human Factors, Analysis) Georgia Tech Research Institute (Analysis) GNSS (Advisor) Jakarti Associates (Analysis) Logistics Management Institute (Modeling and Simulation) Maryland Advanced Development Laboratories (MADL) Massachusetts Institute of Technology (Human Factors, Avionics, Aerodynamics) Mississippi State University – Raspet Flight Research Center (Flight Research) MITRE Corporation (Research, Analysis, Technical Services) Munro and Associates (Analysis) National Safe Skies Alliance (Analysis) National Center for Atmospheric Research (Research The Ohio State University (Systems Analysis, Human Factors) Team Vision (Parametric Analysis) Touchstone Research Laboratory (Materials Research) University of Alabama (Flight Research) University of Kansas Center for Research (Flight Research) University of Maryland (Glenn L. Martin Wind Tunnel/Engineering Assistance) University of Tennessee Space Institute (Flight Research) Virginia Polytechnic Institute and State University (Transportation Research, Simulation, Modeling, Human Factors) Virginia Space Grant Consortium (Design Research) Wichita State University – National Institute of Aviation Research Wyndemere, Inc. (Decision Support Systems)
Additional Members	AGATE Alliance Association, Inc. (GA Industry Assn Services) Aircraft Owners and Pilots Association (GA Industry Assn Services) Air Force Research Lab (Avionics and Human Factors Research) American Institute for Aeronautics and Astronautics (Transportation Industry Assn Services) Air-Sur (Insurance) Aviation Systems Engineering (Other – Certification, Systems Engineering) CACI, International (Other - Systems Engineering) Cogent (Other - Systems Engineering, Technical Operations)

Organization Type / Role	Member (Specialty Discipline)
	Dulles Aviation (Aircraft Management, Training for Pilots)
	Embry-Riddle Aeronautical University (Aircraft Management, Aircraft Maintenance, Training for Pilots, Training for Maintenance)
	Flightline Group, Inc. (Aircraft Management, Aircraft Maintenance)
	Jeppesen/Boeing (Air/Ground infrastructure beyond C/N/S)
	Optimal Solutions (Other - Decision Support Tools)
	Science Applications International Corporation (Air/Ground Infrastructure beyond C/N/S)
	Naval Air Warfare Center (Aircraft Management)
	National Air Transportation Association (GA Industry Assn Services)
	National Business Aircraft Association (GA Industry Assn Services)
	Technical Strategies International (Air/Ground Infrastructure beyond C/N/S)
	Florida Aviation Trades Association (Transportation Industry Assn Services)
	Trios Associates, Inc. (Air/Ground infrastructure beyond C/N/S)
	Experimental Aircraft Association (GA Industry Assn Services)
	Raytheon Aircraft Company (Aircraft Management, Aircraft Maintenance, Training for Pilots, Training for Maintenance)
	General Aviation Manufacturers Association (GA Industry Assn Services)
	Spring and Associates (Aircraft Management)
	Colgan Air (Aircraft Management, Aircraft Maintenance, Training for Pilots, Training for Maintenance)
	Executive Jet, Inc. (Aircraft Management, Aircraft Maintenance, Network Analysis)
	Mod Works (Aircraft Maintenance, Training for Pilots)
	Trios Associates, Inc. (C/N/S Integration, Test and Evaluation)
